

# City of Bremerton South Kitsap Industrial Area (SKIA) Subarea Plan & Planned Action EIS

## Public Meeting Summary

Thursday, June 16, 2011

Norm Dicks Government Center, Bremerton

5-7 p.m.

### Introduction

The City of Bremerton hosted a public meeting to introduce the Draft South Kitsap Industrial Area (SKIA) Subarea Plan and Planned Action EIS. Twenty three individuals filled out the sign-in sheet. The meeting included an open house, presentation, question and answer session and additional time for one-on-one discussion with City of Bremerton staff and consultants. The open house included information about:

1. Project Overview
2. Subarea Plan
3. EIS
4. Land Use
5. Infrastructure
6. Sustainability
7. Natural Environment
8. Economic Development

### Presentation

Facilitator Melinda Posner welcomed everyone to the meeting and shared the purpose of the meeting was to summarize the content of the Draft Subarea Plan and EIS, to answer questions, and to collect public comment for revisions to the Subarea Plan and EIS

Deborah Munkberg, Consultant Team Project Manager, presented a slide show presentation of key Subarea Plan and EIS elements and noted that the public comment period would be open until July 11, 2011. The presentation can be viewed at [www.sustainableskia.com](http://www.sustainableskia.com).

Hearing no questions or comments from the group, participants dispersed to talk with project team members at the information stations.
